Border Alert / Alerte frontalière – Emerson

The [Emerson](#) port of entry is experiencing a service disruption

This port of entry is currently experiencing a service disruption and border users may encounter delays.

The Ports of Boissevain, MB, Sprague, MB and North Portal, SK are the closest alternative processing sites for commercial traffic. However, due to evolving circumstances and until further notice, the Canada Border Services Agency (CBSA) encourages you to refer to the [CBSA Website](#) for information regarding hours of service and commercial servicing at either site in real time.

The CBSA recognizes border disruptions affect both travellers and industry and we are working to restore normal border operations at this port of entry as quickly as possible. Thank you for your patience while we get operations back on track.

Follow the border wait times for this port of entry on the [CBSA's Website](#).

Please do not reply to this message. It is for your information only.
